

GETTING TO SALAMANCA

By Car

<https://www.renfe.com/es/es>

1) Madrid — Salamanca

The distance between Madrid and Salamanca is 214 km.

The fastest and easiest way to drive to Salamanca is:

- Exit Madrid and take highway A-6 / direction Av.de Puerta de Hierro.
- Take the toll road AP-6 (AP-6 / N-VI / A Coruña signs)
- After Guadarrama Tunnel, follow on AP-6 to Avila (do not take Segovia diversion)
- Take diversion 81 to toll road AP-51 heading to Ávila - Salamanca.
- When you approach Ávila, follow road signs to diversion 111 and take A-50 highway to Salamanca

The journey takes slightly more than 2 hours by car.

***Car rentals** are available at the airport. Information about fares and the location of the stores within the terminals can be found at: <https://www.aena.es/es/adolfo-suarez-madrid-barajas/servicios-del-aeropuerto/alquiler-de-coches/t1.html>.
